TENDER DOCUMENTS

Personalberatung • engineering

When winter is nearly gone and spring is around the corner, time has come for our annual spring meeting.

From 9 to 11 March 2018 we provide eight 50 meter lanes, OMEGA OSB starting blocks, electronic OMEGA timing, a 14 m² large display panel and a large grandstand with plenty of seating.

Excellent conditions for your performance!

Take part in a well-organized competition in a sports-mad city. Experience a competition of short distances. Many accommodation facilities and restaurants are within easy walking distance to our swimming pool.

A visit to our picturesque old town with many half-timbered houses and a cathedral is always worthwhile. Here you can also follow the footsteps of Goethe.

We would be happy to welcome you in Wetzlar, Germany in March 2017.
